NEW ORLEANS PELICANS BASKETBALL PRACTICE FACILITY

The New Orleans Pelicans recently relocated to a brand new, state-of-the-art practice facility prior to the start of the 2013-14 season. The Pelicans share the same campus as the NFL's New Orleans Saints at 5800 Airline Drive in Metairie, LA, the only such arrangement in major North American sports. The \$16 million, 50,000 square foot practice facility houses a 32,000 square foot practice area that features two full-sized basketball courts, offices for coaches and basketball operations staff, and a team theatre for film review. The building also includes a 12,000 square foot area that contains the Pelicans' locker room, players' lounge, barber shop, equipment room, and training room. Since moving to New Orleans in 2002, the team has operated at a temporary setup at the Alario Center, a public multipurpose facility in Westwego, La.

LOGOS / MARKS

WORDMARK Inspired by French Quarter street signs.

FLEUR-DE-LIS

A most notable symbol of New Orleans, the Fleur-de-lis is also represented within the primary and secondary marks. Its roots lie within its French origin and the deep cultural heritage of our city and is thus displayed on the city's flag. The mark, however, came to mean much more after Hurricane Katrina devastated the region, and came to symbolize the heart and resolve of the city.

PARTIAL LOGO

CRESCENT BASKETBALL

Coined the "Crescent City" in 1835, New Orleans derived its popular nickname as it was established along the semi-circle bend of the Mississippi River. The crescent shape is thereby represented in several of the marks.

SECONDARY LOGOS

"BIRD-DE-LIS" Incorporates pelican, fleur-de-lis and crescent basketball.

CIRCULAR Incorporates cultural reference to "Crescent City" more formally and includes fleur-de-lis and crescent basketball.

NOLA Refers to New Orleans, LA and includes fleur-de-lis

PRIMARY - BLUE

Representative of the state flag of Louisiana. Traditionally represents liberty (as in the City of New Orleans flag).

SECONDARY - GOLD

The raucous embellishment and flourish that represents the spirited life of New Orleans. It's a color indicative of the city itself. It ties together this organization (shared color with the Saints), the rich and diverse history of the city and its culture of celebration. It's the color often found in the "crown" of pelicans and represented the championships we intend to win.

TERTIARY - RED

Red signifies fraternity, one blood or union, as with this team of players. It also represents the leagend of the mother pelican pricking her own breast to feed her young in times of need, doing whatever it takes to endure. It's found on the throat of this powerful bird and provides a flash of intensity.

A NEW ERA

TOM BENSON

OWNER/CHAIRMAN OF THE BOARD

Tom Benson became Owner of the New Orleans Pelicans on June 15, 2012 when the National Basketball Association's Board of Governors approved his purchase of the team. In conjunction with the finalization of the transaction, the franchise's lease extension was approved by the State of Louisiana, keeping the Pelicans in New Orleans for the long-term. In addition, NBA Commissioner David Stern announced that New Orleans will be the host for the 2014 NBA All-Star Weekend.

The finalization of the sale came on the heels of New Orleans winning the NBA Draft Lottery and receiving the first overall pick, as well as the tenth overall pick, in the 2012 NBA Draft. In addition to the selection of Anthony Davis with the first overall pick and Austin Rivers with the tenth

overall pick, Mr. Benson continues to provide the necessary resources to build momentum and excitement heading into the 2013-14 season.

On January 24, 2013, Mr. Benson announced that the formerly-known Hornets would be renamed the Pelicans at the conclusion of the 2012-13 season. Mr. Benson's ambition was to rename the team in a way that represents the culture and resolve of the Gulf Coast region while also symbolizing Louisiana's most pressing initiative of coastal restoration and wildlife conservation. The Pelican symbolizes the determination to not only survive, but thrive even when the odds are stacked against them as our region has demonstrated over and over.

Upon taking ownership of the New Orleans Saints, Mr. Benson was confident that he would one day bring a championship to his hometown. That aspiration came to fruition on February 7, 2010 when the Saints defeated the Indianapolis Colts, 31-17, in Super Bowl XLIV in Miami, Fla.

The Saints' successful march to the National Football League's Championship level has been the crown jewel of many highlights that the franchise has experienced both on and off the field since 2006. This period, featuring the Super Bowl title, two NFC Championship appearances, three division championships and four playoff berths, combined with a commitment to rebuild and enhance the Gulf South region, has embodied the testament and realization of the principles that Mr. Benson has instilled in the Saints' organization throughout his 28 years of team ownership.

The essential qualities and directives of Mr. Benson's tenure as Owner of the Saints have been unadorned – direct all of his efforts and resources towards bringing the fans what have been consistently new levels of success on the football field, all the while supporting his hometown and the entire region by investing in the community. Mr. Benson has understood since purchasing the club in 1985 that the Saints are part of the fabric of the Gulf South: a cornerstone of the region economically and he has made them a leader in charitable causes.

Mr. Benson's tenure of ownership has been a period defined by historic advancements in successes, whether it be measured by victories, playoff appearances, Mercedes-Benz Superdome attendance figures, national television coverage, positive economic impacts both locally and regionally, as well as serving as one of the most philanthropic and charitable citizens in the city's rich and colorful history.

During his ownership and leadership of the Saints, Mr. Benson has helped drive the evolution of the team's legion of fans support that reached new heights with the Mercedes-Benz Superdome being sold-out on a season ticket basis for every campaign since 2006, with a waiting list of over 73,000 people. By the end of the 2013 season, the consecutive sellout streak will extend to at least 81 games.

These supporters turned out in record numbers to welcome the Saints home from their Super Bowl victory for a downtown New Orleans parade that exceeded 800,000 spectators.

While his work within the organization and the Saints' turnaround is well documented, his efforts have also paid dividends for the city and the surrounding area.

During his ownership tenure, the city has hosted five Super Bowls, including Super Bowl XLVII, which was played on February 3, 2013, following a vote by NFL owners after Mr. Benson directed a successful campaign during the annual league meetings in May, 2009. He's been the driving force behind each campaign to secure the contest, and made this latest accomplishment his top priority in an effort to present the recovery of New Orleans on an international level. Each Super Bowl has been an economic windfall, the most recent totaling \$480 million, not to mention the exposure and charitable contributions the NFL makes during Super Bowl week with an impact extending for generations.

OWNERSHIP

Mr. Benson has made the objectives of success, support and investment in the region not only his personal direction daily, but the core values of the entire organization. Not surprisingly, success has followed, both on the field and off. When he purchased the team, the Saints entered the most compelling and memorable period in franchise history. Prior to his arrival, the club's fans had never enjoyed a winning record, celebrated a division title or experienced the thrill of playoff victories.

But Mr. Benson's impact was immediate. Two years after assuming the reins of the organization, the Saints hosted their first playoff contest. After multiple winning seasons, playoff berths and division titles since, the franchise has reached new heights, topped by the Super Bowl title.

His dedication to the Gulf South region has been among Mr. Benson's most rewarding endeavors. Since 2005, the New Orleans native has positioned the Saints as a leader in the recovery of the region in the wake of Hurricane Katrina, the worst natural disaster in our nation's history. The club was among the first major businesses to return to New Orleans, and in 2006 had a thrilling season that became an inspiration for a region on the mend. In 2010, through his leadership, the club established the Saints Gulf Coast Renewal Fund, which has raised over \$1.5 million through raffles of a Super Bowl XLIV championship ring and Saints and Pelicans gameday experiences to help benefit the response to natural disasters such as the oil spill in the Gulf of Mexico and Hurricane Isaac.

Recently, over one million dollars have been distributed to deserving charities, such as the local chapters of the Second Harvest Food Bank and Catholic Charities, to help provide support to those affected. The efforts of the organization have continued to lift the community, with the team serving as an economic engine and a pacesetter in philanthropic contributions.

Under Mr. Benson's guidance, the Saints have been a focal point for healing and restoration – annually putting \$15 million in charitable contributions, goods and services back into the Gulf South and Greater New Orleans Area. His pledge of the club's commitment to the region was firm and lasting, with his focus on building a stronger and more unified city. It's a direction that continues to evolve and expand.

Some of Mr. Benson's most ambitious projects to date have occurred in New Orleans' Central Business District, directly adjoining the Mercedes-Benz Superdome, starting with his 2009 purchase of the formerly vacant and blighted Dominion Tower. As part of the agreement, Benson and his family also purchased the unoccupied New Orleans Centre. The two important commercial spaces, which were vacant since Katrina struck the Gulf Coast in 2005, have returned the CBD into a more vibrant and viable sector of New Orleans and revitalized an area that was largely ignored for four years. The newly renovated Benson Tower has served as a boon to this important business corridor, while "Champions Square", which made its debut in 2010 adjacent to the former mall, is continually being developed and enhanced with the ultimate objective of producing a world-class sports and entertainment destination.

Mr. Benson's economic investment plan, which included 2009 agreements on both a private and public level, has revitalized the Mercedes-Benz Superdome area, and the agreement with the state included a dramatic modernization of the stadium which was completed in 2011. Following the debut of the renovations, the Saints, under Mr. Benson's leadership, and Mercedes-Benz USA reached a 10-year agreement to rename the facility the "Mercedes-Benz Superdome." The stadium upgrades and rebranding with his help include a legion of new enhancements that have significantly improved the fan experience for all events at the Mercedes-Benz Superdome and kept the building competitive with new facilities across the country.

Since its opening in 1996, Mr. Benson has strived to keep the club's practice facility in Metairie among the NFL's elite. In 2003, an indoor practice facility and cafeteria were constructed, along with significant upgrades to the team's locker room, training room and weight room. Significant expansions and a remodeling in 2012 and 2013, assured that the facilities would remain at the top level of professional sports teams, while housing the full capabilities of two major league sports clubs.

Mr. Benson's vision of what an NFL club should be off the field – proactive, with a positive impact on the prosperity of the community and the charities that support the less fortunate – has been the determining factor of the Saints' approach.

The Saints' Owner has not only reached out by supporting charities, but also by recognizing that the future of the area's economy depends on keeping major businesses and employers in the Gulf South locally-owned. His philosophy is to rebuild the economy by developing the infrastructure of the region from the inside, and Mr. Benson has made two other large investments in the city's future, encouraging a number of other businesses to follow his example.

In 2008, he purchased WVUE, making FOX-8 the only network-affiliated television station in the New Orleans market that is wholly locally owned. After researching the trends of the media industry, Mr. Benson discovered television stations have increasingly become parts of national media conglomerates, and his focus remains on keeping Louisiana businesses owned by those with ties to the state.

In June 2012, Mr. Benson continued his commitment to the Gulf South by purchasing the NBA Hornets franchise, which was successfully rebranded as the Pelicans. His objectives in ownership of the basketball team are the same as his stewardship of the Saints: to produce a team on-the-court that will compete for championships every year, while making a significant positive impact off-the-court in the community.

Since 2006 – when New Orleans captured the nation's imagination by winning the NFC South and advancing further into the postseason than ever before – the Saints have been symbolic of the region's resolve and grit, though Benson, as usual, chooses to work quietly in the background.

His tenure as Owner has been defined by honesty, dedication, loyalty and commitment to the city, region, Saints and the NFL. When Mr. Benson initially became interested in purchasing the club in 1985, he was motivated by the threat of out-of-town investors planning to move the club from New Orleans. He was certainly a fan of the game and the Saints, but the sport had yet to become one of his passions.

As one of the area's top businessmen, Mr. Benson recognized the importance of the team to the region and immediately spearheaded the effort to keep the Saints. But unlike others at the time, it wasn't just an emotional plea. He pooled all of his resources, purchased the club in 1985 and preserved the Saints for the team's legion of fans across the area. And the once-rampant speculation that the club was moving immediately ceased.

While Mr. Benson's initial motivation for purchasing the team was to ensure it did not leave New Orleans, all of the Saints' best seasons have come since his arrival, and his goal remains for the club to rank among the most admired franchises in all of sports, a feat that took a monumental step forward with the Saints' first-ever NFC and NFL championships in 2009 and their continued success.

Following the 2009 season, ESPN the Magazine ranked the Saints first among professional sports organizations, based on several criteria. Benson's significant contributions in the sports, business and charitable arenas have been recognized by several honors. Since becoming involved with the Saints, his accomplishments have been recognized through his induction into the Saints Hall of Fame (2012), the Junior Achievement Business Hall of Fame (Greater New Orleans chapter – 2013), the San Antonio Business Hall of Fame (2011) and the Texas Business Hall of Fame (2007). In August of 2010, he served as the presenter for Rickey Jackson's induction into the Pro Football Hall of Fame.

So perhaps the Saints' successes in the years since were to be expected. Football was a new business for Mr. Benson when he arrived on the scene, but he was a quick learner and followed his lifelong professional philosophy of finding the right people and giving them the freedom to handle their responsibilities.

Mr. Benson also immediately emerged as one of the most trusted and valued figures in the league. He has played a key role in many capacities, including serving three stints as Chairman of the Finance Committee, one of the league's most difficult, time-consuming and influential positions, his most recent term ending in 2013. The assignment is evidence of the respect and esteem in which successive NFL commissioners and his fellow NFL owners hold him.

Community involvement has been the hallmark of the Benson era since he became the Owner of the team, and because of those efforts the World Sports Humanitarian Hall of Fame has twice recognized the club as one of the five most charitable professional organizations. Benson was selected by the Volunteers of America as the winner of its annual Good Samaritan Award in Philanthropy in recognition of his work in the wake of Hurricane Katrina. In 2010, he was honored by Loyola University with the school's Integritas Vitae Award, the New Orleans school's highest honor. The award is annually presented to an individual who exemplifies the qualities Loyola seeks to instill in its students. The recipient is chosen for displaying high moral character and selfless service, without expectation of human dignity. In addition, Mr. Benson was honored by the New Orleans chapter of CRIMESTOPPERS with the James J. Coleman Corporate Partner Award for his continued support of the national non-profit organization that works with law enforcement agencies in their work to identify and apprehend criminals.

For his humanitarian and philanthropic endeavors that have positively affected the lives of so many individuals and groups, Mr. Benson was honored in 2012 by the Catholic Church with an Oblate Doctor of Human Letters (to a person who has achieved the human purpose for which Divine Providence Placed Him on Earth) certificate that honors his "realities of the most noble of human endeavors, weighted by criteria arising from the deepest human values." The certificate also honors "excellence in the area of life where excellence makes the most difference," and further cites his "attributes and accomplishments that come closest to what God would be interested in honoring." In 2012, Mr. Benson and his wife, the former Gayle Marie LaJaunie, a fellow native of New Orleans, received from Pope Benedict XVI the Pro Ecclesia et Pontifice award – for outstanding service to the Church and the Pontiff, the highest Papal award granted to a lay person.

Mr. and Mrs. Benson are also personally involved in several charitable endeavors, including supporting local and regional causes. Mr. and Mrs. Benson have also funded the building of a football stadium located on the University of Incarnate Word Campus, known as Gayle and Tom Benson Field. The school's team took to the field for the first

In recognition of their longstanding support of Catholic education, Mr. and Mrs. Benson received the St. Elizabeth Ann Seton Award from the National Catholic Educational Association in 2010. In March. 2012 they were inducted by Tulane University into the Paul Tulane Society, recognizing their significant generosity to the school. In supporting the school's construction of an on-campus stadium, the Green Wave will start plaving on "Benson Field" in 2014.

A cancer survivor, Mr. Benson has also worked closely with the Ochsner Foundation Hospital in New Orleans with the Establishment of the Tom and Gavle Benson Cancer Center, a \$20-million treatment complex.

In 1945, Mr. Benson served in the Navy aboard the U.S.S. South Dakota and has remained particularly close to this branch of the armed forces. He is the only enlisted man to serve on the Board of Trustees of the Pensacola Naval Museum and has been honored with an award from the crew of the submarine U.S.S. Louisiana. In 2007. Mr. Benson was honored by the U.S. Navy Memorial with the Lone Sailor Award, presented to those who exemplify the core values of honor, courage and commitment. In 2009, Benson was presented with U.S. Army's Army Strong Award in recognition for his position in the community while demonstrating leadership and Army Values on a daily basis.

A leading advocate for the National World War II Memorial in Washington D.C., Mr. Benson was also a major contributor and past director of The National D-Day Museum in New Orleans, with his pledges helping fund the Pacific Exhibit Grand Opening and the Midway Theater. In 2011, he was among five NFL owners honored with an American Spirit Award by the museum for service in the war.

BENSON COMMUNITY SERVICE

Tom Benson's greatest impact over the last 29 years has been in the community, and the club's charitable involvement has been among his most rewarding endeavors personally since 1985. He realized immediately the Saints could be more than just a football team to the region, and that the club's players, coaches and staff were pacesetters when it came to volunteerism, involvement, donations and charitable outreach.

As a corporate citizen, the Saints annually put millions of dollars back into the community in financial support, in-kind donations, charitable appearances and the donation of goods and services - not to mention the club's critical role in economic impact and development.

Benson and the Saints have been honored repeatedly during his years as Owner for the support and care of charitable and civic causes, including the Volunteers of America selecting him as the winner of the annual Good Samaritan Award in Philanthropy in 2008. In 2010, Benson was awarded Lovola University of New Orleans' highest honor as the recipient of the Integritas Vitae Award, given to an individual who exemplifies a commitment to community service.

Mr. Benson and his family have helped raise over \$2.5 million for community causes through the Saints Hurricane Katrina and Gulf Coast Renewal funds.

Annually, the club has also partnered with local youth-oriented charities such as the Boys & Girls Clubs, Special Olympics, Boy and Girl Scouts of America and the United Way to reach as many children as possible. And over 45 foundations and agencies receive monetary donations from the Saints each year - organizations as diverse as Make-A-Wish Foundation, the American Heart Association, the United Negro College Fund, Habitat For Humanity, the New Orleans Police and Justice Foundation, the Second Harvest Food Bank and Catholic Charities.

Mr. Benson has helped lead the Pelicans to lead the community in battling coastal erosion and the loss of the Gulf South's wetlands. The Pelicans and the Audubon Nature Institute are focused on education, as they will execute an outreach program that visits schools and festivals with Audubon's Wetlands Express and AguaVan to give students the opportunity to learn about coastal restoration in a fun and engaging manner. Each year, the Pelicans host a charity gala - Toast for the Coast - to raise funds to protect the Gulf Coast.

Additionally, the Pelicans are focused on helping students in the Gulf Coast live a healthy and active lifestyle in an effort to end childhood obesity and prevent Louisiana youth from starting to use tobacco products through their Junior Training Camp program presented by Smoothie King, Ochsner and Tobacco-Free Living.

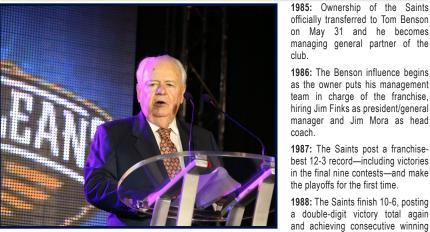

With the support of their partners, the Pelicans host two junior training camps each week for children between the ages of seven and 12. Each junior training camp will reach up to 150 students, giving them the opportunity to participate in basketball-related drills and games, learn about nutrition and enjoy the Pelicans' game day experience at school.

In addition to consistently supporting charities, Mr. Benson has also been a leading advocate for New Orleans and the Gulf South. He lends his support in attracting new events to the city, and the club has worked in conjunction with the Greater New Orleans Sports Foundation and other local entities to bid and receive the 2012 NCAA Men's Final Four Basketball Championship and the 2013 Women's Final Four.

Upon the announcement of his purchase of the New Orleans Pelicans franchise in the spring of 2012, the city was awarded the 2014 NBA All-Star Game.

New Orleans' leading advocate of the successful bid to host Super Bowl XLVII, which was played in the Nercedes-Benz Superdome on February 3, 2013, Benson remains committed to work on behalf of the city to land future Super Bowls, because of the financial impact and positive global exposure they are able to shed on the city and the state.

RITA BENSON LEBLANC

OWNER/VICE CHAIRMAN OF THE BOARD

As Owner/Vice Chairman of the Board of the New Orleans Saints and New Orleans Pelicans, Rita Benson LeBlanc is the second-highest ranking executive overseeing management alongside Tom Benson.

LeBlanc's concentration is focused on the overall governance and the financial and civic impact of the Saints and Pelicans in New Orleans, both regionally and on an international level. Through relationships and collaborations with community partners, LeBlanc has led the organizations as host of multiple Super Bowls and the 2014 NBA All-Star Weekend, where she served as a Host Committee co-chairman.

As a member of Super Bowl XLVII's New Orleans Host Committee,

LeBlanc worked closely with the Greater New Orleans Sports Foundation. Super Bowl XLVII produced a \$480 million net impact for the region as it welcomed over 100,000 football fans and a record-breaking 5,200 media professionals to the city. Throughout the weekend, LeBlanc and Saints players participated in over 30 community service events, including the NFL's Super Saturday of Service, NFL Play 60 events and green initiatives highlighted by the planting of 7,000 trees around the city.

Since June of 2012, LeBlanc has worked in her current position for the Saints and the Pelicans, having made a significant impact on the franchise since being named Owner/Executive Vice President of the NFL club in 2005. In that time, the Saints partnered with Mercedes-Benz USA for the naming rights to the Mercedes-Benz Superdome, and in 2014 teamed with global nutritional and wellness leader Smoothie King for the naming rights to the Smoothie King Center, the home of the Pelicans.

Upon purchasing the city's NBA franchise, LeBlanc played a key role in the development of the new brand identity, logos and color scheme as the Benson family announced on Jan. 24, 2013 that the team would be re-named the New Orleans Pelicans. The Pelican is more than a nickname for the franchise, as it represents the culture and resolve of the Gulf Coast region while also symbolizing Louisiana's most pressing initiative of coastal restoration and wildlife conservation.

After overseeing the Saints' sales and marketing efforts, community affairs, youth programs initiatives, game day entertainment and stadium operations for seven years, in 2012, LeBlanc's duties expanded to include management responsibilities within Zelia LLC, which includes properties such as Benson Tower, Champions Square and various interests in the family's automotive, real estate and banking sectors and multi-media platforms, including FOX 8 (WVUE). LeBlanc led the renovation of Benson Tower, a 26-story building with over 480,000 square feet of office space, with the vision of utilizing energy-efficient and environmentally-friendly materials. Following completion, the property became the first high-rise building in New Orleans to be awarded LEED (Leadership in Energy and Environmental Design) Silver status.

In 2009, the Benson family displayed their unwavering commitment to the future success of the Saints franchise and region through a partnership with the State of Louisiana that continued the club's commitment to the state through 2025. As a result of the agreement, the Mercedes-Benz Superdome underwent extensive renovations and upgrades to make it a world-class facility for Saints fans and visitors. Following the debut of the renovations in 2011, the club reached a ten-year agreement with Mercedes-Benz USA to rename the facility the Mercedes-Benz Superdome. The team's renovated stadium, combined with its recently renovated and expanded team headquarters in Metairie, are both among the finest facilities in professional sports.

LeBlanc has been a driving force behind the Saints' success, both on and off the field. In 2006, the team achieved its first full season ticket sellout prior to the start of the season. Since then, all 81 games played at the Mercedes-Benz Superdome have been filled on a season ticket basis. This success, fueled by innovative restructuring of ticket prices and categories, has resulted in a season ticket waiting list of over 73,000 fans. In addition, every luxury suite has been leased since 2008 while Saints merchandise has consistently been one of the top selling lines in the NFL. On the field, the Saints have compiled an 86-52 overall record since 2006, appeared in the playoffs five times and won Super Bowl XLIV.

Her leadership role with the franchise and in the local community has been evident, as she's played a critical role in helping build the Saints into a championship franchise and one that was voted by ESPN The Magazine in 2010 as "the best organization in professional sports."

MICHAEL STANFIELD

SENIOR VICE PRESIDENT OF SALES

Michael Stanfield was named Senior Vice President of Sales for the New Orleans Saints and New Orleans Pelicans in June, 2012, overseeing all ticket sales efforts and operations for both franchises.

Entering his 15th season with the Saints and third with the Pelicans, Stanfield is responsible for all of the consumer marketing efforts-directing the sale of season and group tickets, developing sales executives to the next level in their field, supervising the lease of the Superdome and Arena's luxury suites, managing food and beverage for the Arena and Superdome, overseeing the sale of all team merchandise as well as maintaining the club's high standards of customer service and retention.

Since taking over leadership of the Pelicans' ticket sales and merchandising efforts, the organization has seen an increase in season-ticket sales and merchandise sales have seen the second-biggest growth in the NBA in 2013, followed by another significant increase in 2014

Under his direction, the Saints have surpassed the majority of the club's ticket sales milestones, including selling out on a season-ticket basis for the first time in franchise history in 2006-a feat that has reached eight-straight seasons. In addition the club has leased every Superdome suite since the beginning of the 2008 season. Saints official merchandise has grown annually into one of the NFL's top sellers. Stanfield also supervises the ticket, suite sales and box office personnel on a daily basis, in addition to serving as the food and beverage service liaison with the Superdome.

Since Stanfield's arrival in 2000, the Saints have sold out every contest in the Superdome but one. Prior to the 2006 season, an innovative season-ticket marketing program fueled the rise of filling the stadium on a season-ticket basis. Fans on all economic levels were reached in an effort to retain existing accounts while cultivating new ones and those efforts have built a waiting list that has continued to grow for season tickets for the first time in franchise history. In

2011, the team established a single-season regular season attendance record for games played at the Mercedes-Benz Superdome with 584.336 fans attending Saints games.

Stanfield has also helped oversee the institution of a direct mail and email database to generate ticket sales and excitement surrounding the club and initiated other creative promotional campaigns by using the club's ever expanding social and new media platforms. The Saints have also been recognized as one of the top organizations in professional sports for their customer service initiatives and outreach programs, including being named the top professional sports organization by ESPN The Magazine in June (2010).

A veteran of 26 years in the sports industry, Stanfield was promoted to vice president after serving as director of ticket sales and operation services for the Saints from 2000-05. The accomplishments of the Ticket & Suite Sales

Department were numerous under Stanfield's direction in his initial six years with the Saints, as the club posted a 36-straight game sellout streak and reached the former club-record of 53,000 season-ticket holders in 2003.

In 2007, Stanfield completed the Stanford Business School's Executive Education NFL-Stanford Program for Managers, an educational program and honor known league-wide as an important training ground for promising executives.

Stanfield is on the Board of Directors for the Saints Hall of Fame, a member of the Super Bowl XLVII Host Committee and a member of the Jefferson Chamber of Commerce's Board of Directors. Stanfield is a graduate of St. Leo University (Fla.) and he is currently serving on the St. Leo Alumni Board of Directors. A sports industry public speaker, Stanfield has given presentations at many national events. He is also an active speaker at numerous youth foundations and professional groups throughout the Gulf South.

MICKEY LOOMIS

EXECUTIVE VICE PRESIDENT/BASKETBALL OPERATIONS

Mickey Loomis was named Executive Vice President of the New Orleans Pelicans in June, 2012, overseeing the basketball operations of the club.

Loomis is also the Executive Vice President/General Manager of the New Orleans Saints, responsible for the club's entire football operations, entering his 12th season in his current position and 14th with the franchise. He is a veteran of over 26 years in the NFL and during his time in New Orleans has been honored with the most prestigious awards presented to a league executive. Yet the most satisfying achievement of Loomis' career has come in helping mold a roster that has produced many of the franchise's finest

moments over the last six seasons, including the Super Bowl XLIV championship.

Loomis was promoted to General Manager in 2002 and earned the additional title of Executive Vice President later that year. The departments under his direction include coaching, player personnel and scouting, salary cap management, contract negotiations, athletic training, equipment, video and communications.

In 2006 - after being the key figure in the hiring of Sean Payton, the signing of Drew Brees and essentially rebuilding a team that would advance to the NFC Championship – Loomis was voted the NFL Executive of the Year by Pro Football Weekly/Pro Football Writers of America. He was also honored by the Sporting News as the George Young Executive of the Year, an award voted on annually by NFL front-office executives and owners.

Loomis has continued to build on the success of 2006, highlighted by four postseason appearances, three division titles and the Super Bowl victory. Over the past six years, he has brought aboard a collection of players who have played a key role in New Orleans posting a 67-37 overall record through a combination of the draft, free agency and trades. He's also presided over the club's ability to retain their core players, re-signing several significant contributors to long-term contracts.

While his responsibilities have grown during his tenure with the Saints, Loomis has been a key figure in the highest management circle of the organization since arriving in 2000. Loomis joined the club as Director of Football Administration, a post he held until 2002, handling contract negotiations, managing the salary cap and coordinating different areas of the football operations.

HEAD COACH

On June 7, 2010, Monty Williams was appointed head coach of the New Orleans Pelicans. Williams' first stint as a head coach was a very successful one, leading New Orleans to a 46-36 record and the seventh seed in the 2011 NBA playoffs where the team pushed the former NBA-champion Lakers to six games. Williams placed seventh in Coach of the Year voting and was named the NBA's Western Conference Coach of the Month for January of 2011.

In his sophomore campaign, Williams managed 22 different players and 28 different starting lineups through an injury-plagued season where six players

missed upwards of 15 games due to injury or illness. Through it all, Williams' squad increased its wins in every month from January to April, and closed out the regular season with a 6-1 stretch at the New Orleans Arena. His work was recognized as he finished T-11th in Coach of the Year voting, the highest finisher among non-player coaches. In his third and most recent season with New Orleans, Williams oversaw the development of the second youngest team in the NBA, developing Anthony Davis into a solid Rookie of the Year candidate and Ryan Anderson into a Sixth Man of the Year candidate.

Prior to his New Orleans tenure, Williams spent the previous five seasons as an assistant coach for the Portland Trail Blazers. As of the date hired, Williams became the youngest head coach in the NBA at 38 years old.

Williams is one of the promising young coaches in the NBA. Trail Blazers Head Coach Nate McMillan charged Williams with running the team's 2007 and 2008 entries into the NBA Summer League in Las Vegas. The two teams featured young Trail Blazers prospects Greg Oden, LaMarcus Aldridge, Jerryd Bayless and Nicolas Batum.

During his time with the Trail Blazers, Williams spent a great deal of time working with Travis Outlaw and Martell Webster. He focused on consistency, instilling intensity and purpose every day in practice, as well as in games. Before being traded to the Los Angeles Clippers in the 2009-10 season, Outlaw increased his scoring and rebounding average twice in four seasons during Williams' tenure. Webster and Williams both entered their first season with the Trail Blazers in 2005-06. Like Outlaw, Webster saw numerous improvements in a number of statistical categories, including points, rebounds per game, and field-goal percentage.

Prior to joining the Trail Blazers, he won an NBA Championship as a coaching staff intern with the San Antonio Spurs in 2004-05, and during the summer of 2005, coached the Spurs' Summer League entry in the Rocky Mountain Revue.

Selected by New York in the first round (24th overall) of the 1994 NBA Draft, Williams was a nine-year veteran of the NBA before chronic knee problems forced him into retirement in 2003. Hailing from Notre Dame, Williams played for the Knicks, San Antonio, Denver, Orlando and Philadelphia. His best season was with the Spurs in 1996-97, when he averaged 9.0 points, 3.2 rebounds and 1.4 assists in 65 games and shot 50.9% from the field. In 456 career games, he averaged 6.3 points per game.

He was an honorable mention All-American at Notre Dame after averaging 22.4 points and 8.4 rebounds during his senior season. Williams was away from basketball for two years during college (from 1990 to 1992) after being diagnosed with hypertropic cardiomyopathy, a rare condition of thickened muscle between the chambers of the heart. He earned a degree from Notre Dame's College of Arts and Letters, majoring in communications and theatre. In high school, he was a 4.0 student at Potomac High School in Oxon Hill, Md.

On June 10, 2013, Williams was named an assistant coach for the 2013-16 USA Basketball Men's National Team, which he previously represented as a player. Served as an Assistant Coach on Team USA Men's National Team that captured gold at the 2014 FIBA World Cup in Spain, going undefeated in the tournament. Active in the Fellowship of Christian Athletes and many other charities, he was involved with fellow NBA guard Charlie Ward in distributing shoes and athletic equipment to impoverished communities in South Africa. In September of 2011 and August 2013, Williams went to South Africa as part of the NBA's Basketball Without Borders program.

As the New Orleans Pelicans begin their first year under the team's new identity, the organization will focus on two key initiatives critical to the future success and prosperity of the Gulf South region: the health and sustainability of our coastal wetlands and the health and fitness of our region's children. In conjunction with our community and corporate partners, the Pelicans are developing outreach programs that will make this message known and The health of the coastal wetlands is vital to growth and success of the state and region. The Louisiana wetlands provide 30% of the seafood catch in the contiguous U.S. Our wetlands habitat is also home to a wide variety and number of wildlife and plants. Over 80% of wetland loss in the United States occurs in Louisiana - the equivalent of 12 basketball courts is lost every 30 minutes. The Gulf Coast has lost more than 55% of the wetlands that were here when the first Europeans arrived in the 15th century - a loss of more than 100 million acres. The Pelicans organization is an advocate for the health and wellness of children in the Gulf South. With the ongoing goal of helping kids find the excitement in being active, the Pelicans launched their Junior Training Camp program. Junior training camps will engage participants in activities focused on creating a fun and memorable basketball experience, while also being active and healthy. To help support its community initiatives, the team hosts an annual gala, Toast for the Coast. For more information about the team's work in the Gulf
